Dear St. Lawrence Parents and Guardians,

It is time for our re-enrollment process for the 2019-2020 school year to begin. This year, the re-enrollment process will be completely digital via RenWeb.

The steps to re-enroll your child(ren) are as follows:

- Sign in to your ParentsWeb account. Click on the "Apply/Enroll" tab on the left side. This will open a drop down menu. Choose "Enrollment/Re-enrollment" and follow the steps to update/confirm your family information, complete the re-enrollment process, and pay the re-enrollment fee. The deadline to complete the re-enrollment process in order to reserve your student's spot is January 25th. The application process for new students (including siblings of current students) will open on January 18th. Please remember that class sizes will be limited. **Please complete the online re-enrollment packet by the deadline of January 25th in order to avoid forfeiting your student's reserved spot.**
- Information regarding Tuition Assistance may be found during the re-enrollment process.
- **Reminder for parents of incoming EC, Kindergarten and 7th Grade students:** Proof of immunization recorded on a DH680 Florida Certification of Immunization, and physical examination records for all Early Childhood, Kindergarten and 7th grade students are required. These may be uploaded during the re-enrollment process or submitted prior to the first day of school.
- Please contact LiliAnne Rodriguez at extension 230 if you have any questions.

In regard to tuition rates, the Finance Council has approved a minimal tuition increase which includes technology and, as requested by parents, a security fee. This will allow St. Lawrence to have a School Resource Officer on campus daily. Please refer to the 2019-2020 Tuition Rate Sheet in the online re-enrollment packet for complete details.

I thank you for your continued trust in St. Lawrence Catholic School. The administration, faculty and staff are committed to continuing to partner with you as we strive to provide "a Christ centered environment which allows students to learn to serve God and others, to develop their unique skills, to strive for academic excellence, and to become life-long learners".

Sincerely,

Patricia M. Freund
Principal
